- No registration/registration can help us get educational materials out
- We can run Zoom without password, but with a waiting room to prevent any hacks

- Questions about the archive (Luke Vilelle)
- Approval of George P. Tayloe master's thesis
 - Jack Payden-Travers—case study of George Plater Tayloe in archive. Now available via Hollins Digital Commons (HU only); Chris, Jeanne, perhaps Peter Coogan to review for full open access.
- Revisiting researcher proposal: new timeline
 - Sept. 15 run in fall; institutional history—present to board—as a group agree will need to wait until a new archivist is hired to initiate search, as any researcher will need them
- Notetaking
 - Rotate and decide end of each meeting, and should look into Otter software that can transcribe voice
- Updates on other projects
- Cemetery - Bill, Courtney, Karen had meeting—gave Karen meeting notes?—going to take to Pastor of Ebenezer Baptist church—will check in with Karen
- Scholarship - Rebecca will send around forms having to do with scholarship to go to Pres. Hinton, as well as all renaming documents
